REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: With respect to claim 1, the prior art does not disclose nor render obvious the claimed combination of subject matter of an upright vacuum cleaner, comprising: a suctioning tool body; a vacuum cleaner body; said vacuum cleaner body extending in a freely pivoting manner away from said suctioning tool body; a dust collecting part; said dust collecting part being detachably attached to said vacuum cleaner body on a first side of said vacuum cleaner body; an attachment mechanism for detachably attaching said dust collecting part and said vacuum cleaner body; a first handle on an upper portion of said dust collecting part; means for enabling attachment and detachment of said dust collection part from said vacuum cleaner body; said first handle being positioned to provide easy transport of said upright vacuum cleaner during said attachment and detachment; and said means for enabling attachment including means for double-locking said dust collecting part to said vacuum cleaner body, thereby providing a simultaneous secure double-locking engagement and preventing accidental removal of said dust collection part from said vacuum cleaner body. With respect to claim 7, the prior art does not disclose nor render obvious the claimed combination of subject matter of an upright vacuum cleaner comprising: a vacuum cleaner body; a dust collection part; means for attaching said dust collection part to said vacuum cleaner body; locking means for said attaching; said locking means including at least first and second independent locking devices; and both said first and second locking devices requiring actuation before said dust collection part is removable from said vacuum cleaner body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
